***Description:***

***Perfect Vita-Min is the creation of Dr. Bill MacLean PhD, a valued member of our Medical Team. This formula was assembled after years of research and development into the science of nutrition and needs of the human body. It is a proprietary formula designed to provide maximum nutritional content in one serving per day. Dr. MacLean formulated this product utilizing organic ingredients from prehistoric plant based deposits located deep in the earth and combined with a host of other synergistic herbs and nutrients, thereby providing a complete range of Vitamin, Minerals and other co-factors, in a great tasting Aloe Gel Base. Perfect Health 4 Life is proud to offer this unique and highly effective formula to our members and customers.***
